

Mayor's Message
July 6, 2010

This is the second Mayor's Message that will be sent only via email. Again I'm trying to save money and also get this out fast. Please use the 'forward to a friend' link to forward this email or pass the word to your neighbors who might not get it.

On this Saturday, July 10th at 10 AM I have invited the 4 candidates for our Gwinnett County Commission seat to meet you and answer your questions at our City Hall. They have all accepted and I hope many of you will turn out for 2 very important reasons.

First, the winner of this election will have the power to very significantly affect your pocketbook, your property value, and your quality of life. Bert Nasuti is not running again and you need to make an informed choice as to who replaces him. Don't take somebody else's word for this. Come eyeball these people for yourself and ask them direct questions. It's important.

Second, our City will be calling upon this person in the future to get things that you want and need. If that person thinks nobody over here is paying attention or cares, they'll vote for somebody else's interests rather than yours. That's just the reality. We need a good turnout for this.

I know your Saturday morning time is precious, but it's time to show up and make a difference in your own interest, just for a little while on that morning. Please come and recruit your neighbors who may not get this. If you have questions you would like to be asked, email them to me in advance. It should be something that relates to county business. Don't ask them about the war in Afghanistan. I'll limit their time for responses in order to make good use of your time that morning and get you out before too long.

This Saturday
10 AM

City Hall

I hope to see you all there. Remember to pass the word to others.

Lois D. Salter
Mayor
